We invite you to join us for our second Pay It FOREward Golf Outing in northeast Ohio, benefiting The 2nd & 7 Foundation. This outing will be a fun, safe way for us to raise critical funds in our fight against illiteracy. The community needs us now more than ever as we continue our mission to provide free books and positive role models to kids in need while encouraging young athletes to pay it forward. We hope that this is an outing that will continue in this community for many years to come. Thank you for your support!
